**GLOBAL NOTES AND STATEMENTS OF LIMITATION, METHODOLOGY, AND
DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

High Mesa Holdings, LP (“**HMH**”) and its affiliated debtors and debtors in possession (collectively, the “**Debtors**”)¹ filed for chapter 7 (the “**Chapter 7 Cases**”) and in connection therewith have filed their respective Schedules of Assets and Liabilities (collectively, the “**Schedules**”) and the Statements of Financial Affairs (collectively, the “**Statements**” and, together with the Schedules, the “**Schedules and Statements**”) in the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”). The Debtors, with the assistance of their legal and financial advisors, prepared the Schedules and Statements, pursuant to section 521 of Chapter of Title 11 of the United States Code (the “**Bankruptcy Code**”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), and are unaudited.

In fact, there was limited data available to the Debtors, their management and professionals to prepare the Schedules and Statements. First, as a result of transactions between the Debtors and various Alta Mesa Resources, Inc. (“**Alta Mesa**”) entities that are currently in chapter 11, the Debtors do not have the underlying data prior to January 1, 2019 for their assets or the financial transactions related thereto. The Debtors were furnished with summary information and trial balances and used that information beginning January 1, 2019 to create books for the Debtors.

In addition, the Debtors retained the services of Opportune LLC (“**Opportune**”) to provide the accounting and financial functions of the Debtors beginning January 1, 2019, and the underlying data from January 1, 2019 to date is held and in the possession of Opportune. When Opportune was asked to provide the Debtors professionals with access to its own data, they were denied unless and until past obligations of the Debtor from 2018 were satisfied. The Debtors’ professionals were able to download some of the Opportune maintained data through a connection that was ultimately terminated by Opportune when the download was discovered. Because of liquidity issues and pending litigation, the Debtors had to move forward with the chapter 7 filings with the data and information available.

¹ The Debtors in these Chapter 7 cases are as follows: ALTA MESA ACQUISITION SUB LLC, ALTA MESA DRILLING LLC, ALTA MESA ENERGY LLC, ALTA MESA GP LLC, AM IDAHO LLC, AM MICHIGAN LLC, AMH ENERGY NEW MEXICO LLC, ARANSAS RESOURCES LP, ARI DEVELOPMENT LLC, BRAYTON MANAGEMENT GP II LLC, BRAYTON RESOURCES II LP, BRAYTON RESOURCES LP, BUCKEYE PRODUCTION COMPANY LP, CAIRN ENERGY USA LLC, FBB ANADARKO LLC, GALVESTON BAY RESOURCES LP, HIGH MESA HOLDINGS GP LLC, HIGH MESA HOLDINGS LP, HIGH MESA INC, HIGH MESA SERVICES LLC, HMS KINGFISHER HOLDCO LLC, LEADS RESOURCES LLC, LOUISIANA EXPLORATION & ACQUISITION LP, LOUISIANA EXPLORATION AND ACQUISITIONS PARTNERSHIP LLC, LOUISIANA ONSHORE PROPERTIES LLC, NAVASOTA RESOURCES LTD LLP, NEW EXPLORATION TECHNOLOGIES COMPANY LLC, NUECES RESOURCES LP, PETRO ACQUISITIONS LP, PETRO OPERATING COMPANY LP, SUNDANCE ACQUISITION LLC, TE TMR LLC, TEA ENERGY SERVICES LLC, TEXAS ENERGY ACQUISITIONS LP, THE MERIDIAN PRODUCTION LLC, THE MERIDIAN RESOURCE AND EXPLORATIONS LLC, THE MERIDIAN RESOURCE LLC, TMR DRILLING LLC, TMR EQUIPMENT LLC, VIRGINIA OIL AND GAS LLC. The location of the Debtors’ corporate headquarters and service address is 16600 Park Row, Suite 158, Houston, TX.

While the Debtors' management has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible, based on the data and information that was available at the time of preparation, subsequent information or discovery could provide more information about the items identified in the Schedules and Statements, and inadvertent errors or omissions may have occurred. As the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, as well as the fact that underlying historical data has not been provided by Alta Mesa and/or Opportune, these Schedules and Statements are as complete as practicable.

These *Global Notes and Statement of Limitations, Methodology, and Disclaimers Regarding the Debtors' Schedules and Statements of Financial Affairs* (the "**Global Notes**") are incorporated by reference in, and comprise an integral part of, each Debtor's respective Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

The Schedules and Statements for the Debtors are signed by Scott Ricks, Authorized Representative of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Ricks necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtors and the Debtors' legal and financial advisors. Mr. Ricks has not and could not personally verify the accuracy of each statement and/or representation contained in the Schedules and Statements, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and creditors' addresses. The Debtors' accounting, finance and land management systems, such as they existed given the Debtors relationship with Alta Mesa and Opportune, were used to manage and track oil and gas production with a secondary focus on the creation of consolidated and consolidating financial statements. As such, certain assets, liabilities, or cash payments may have been reported on one legal entity in these Schedules and Statements, while the beneficiary of the transaction may have been another Debtor.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. The Debtors, and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. For the avoidance of doubt, the Debtors and their professionals expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law. In no event shall the Debtors, or their agents, attorneys, and financial advisors, be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, or financial advisors are advised of the possibility of such damages.

Global Notes and Overview of Methodology

1. **Description of Cases.** On January 24, 2020, (the “**Petition Date**”), each of the Debtors filed voluntary petitions for relief under chapter 7 of the Bankruptcy Code. The Debtors will be filing a *Motion for Joint Administration* directing joint administration of the chapter 7 cases. Notwithstanding the joint administration of the Debtors’ cases for procedural purposes, each Debtor filed its own Schedules and Statements. The information provided therein, except as otherwise noted, is reported as of the Petition Date of each respective Debtor, as appropriate.

2. **Reservations and Limitations.** Commercially reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtors’ rights or an admission of any kind with respect to these chapter 7 cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.
 - (a) **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as an admission or stipulation of the validity of any claim against the Debtors, any assertion made therein or herein, or a waiver of the right to dispute any claim or assert any cause of action or defense against any party.
 - (b) **Recharacterization.** Notwithstanding that the Debtors have made commercially reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, or designated certain items.
 - (c) **Categories or Labels for Purpose of Presentation in Schedules and Statements.** Information requested by the Schedules and Statements requires the Debtors to make a judgment regarding the appropriate category in which information should be presented or how certain parties, claims or other data should be labeled. The Debtors’ decisions regarding the category or label to use is based on the best information available as of the filing of these Schedules and Statements and within the time constraints imposed.
 - (d) **Classifications.** Listing (i) a claim on Schedule D as “secured,” (ii) a claim on Schedule E/F as “priority” or “unsecured,” or (iii) a contract on Schedule G as “executory” or “unexpired” does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty, or a waiver of the right to

recharacterize or reclassify such claim or contract.

Claims Description. Any failure to designate a claim on the Debtors' Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent," or "unliquidated."

- (e) **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from such estimates.
- (f) **Causes of Action.** Despite commercially reasonable efforts, the Debtors may not have identified all current and potential causes of action the Debtors may have against third parties in their respective Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets.
- (g) **Insiders.** In the circumstance where the Schedules and Statements require information regarding "insiders," the Debtors have included information with respect to certain individuals who served as officers and directors, as the case may be, during the relevant time periods. Such individuals may no longer serve in such capacities.

The listing or omission of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements has been included for informational purposes only.
- (h) **Royalties.** The leases owned by the Debtors exist in some cases in long producing oil and gas fields. Although royalty payments have been made, payments may have been uncashed, and others may have been unpaid because the current living owners are unknown.
- (i) **P&A Liability.** The Debtors own wells that are at the end of life and may be subject to imminent plugging and abandonment liabilities. The Debtors have made an estimation as to the amount of what these liabilities might be.

3. **Methodology.**

- (a) **Basis of Presentation.** The Debtors relied on Opportune, an outside firm, to maintain Debtor's books and records. As such, critical books of account and

records were unavailable to Debtors and Debtors' advisors, including but not limited to the following deficiencies and hindrances:

- Books, records and general ledger accounts of all known current and former affiliates, including both Debtor and non-Debtor entities, were not available for examination. Additionally, some entities and affiliates were determined as having no known assets or claims.
- In examining available general ledger accounts, it appeared that not all transactions included account detail and certain transaction descriptions could be deciphered. Additionally, it appeared that there occurred extensive use of specialized or intermediary suspense accounts. Accordingly, Debtors' advisors were prevented from confirming corresponding transactions and classifications and therefore, prohibited from achieving a reconciliation of transactions. Further, Debtors' advisors were prevented from establishing a systematic approach to identifying transactions as ordinary course of business or accurately estimate revenue.
- Due to the lack of information or data, these Schedules and Statements rely on analysis which focused on transaction activity from HMH to other Debtors and not necessarily inter-Debtor or intra-Debtor transactions besides those occurring from HMH to other Debtors.
- Due to the opacity of the aforementioned details, Debtors' advisors cannot reasonably ascertain that they have fully captured all transactions of interest as requested in these Schedules and Statements. Additionally, some transactions have been classified, characterized, categorized, or designated giving benefit to the likelihood of the Court's interest in knowledge of such transactions without the certainty to accuracy of such classification, characterization, categorization or designation.

These Schedules and Statements do not purport to represent financial statements prepared in accordance with accounting principles generally accepted in the United States ("GAAP"), nor are they intended to fully reconcile to the financial statements prepared by the Debtors. These Schedules and Statements reflect the best available estimate of assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the limited data extracted from the available Debtors' books and records and historical financial statements. Where possible, HMH has presented its oil and gas interests as real property, net of dispositions, depletion and impairments. The fair value and net realizable value of real and personal property may vary materially from the net book value presented herein.

Given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that a Debtor was

solvent as of the Petition Date or at any time prior to the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that a Debtor was insolvent as of the Petition Date or any time prior to the Petition Date.

All asset and liability information, except where otherwise noted, is reflected through September 30, 2019.

- (b) **Confidential Information.** There may be instances in the Schedules and Statements where the Debtors deemed it necessary and appropriate to redact from the public record information such as names, addresses, or amounts. Generally, the Debtors have used this approach because of a confidentiality agreement between the Debtors and a third party, for the protection of sensitive commercial information, or for the privacy of an individual.
- (c) **Master Agreements.** Contracts and leases listed in the Schedules and Statements may be master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor entity that signed the original umbrella or master agreement. Other Debtors, however, may be liable together with such Debtor on account of such agreements and the Debtors reserve all rights to amend the Schedules and Statements to reflect changes regarding the liability of the Debtors with respect to such agreements, if appropriate.
- (d) **Duplication.** Certain of the Debtors' assets, liabilities, and prepetition payments may properly be disclosed in multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have endeavored to only list such assets, liabilities, and prepetition payments once.
- (e) **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by, nor readily available to the Debtors. Accordingly, unless otherwise indicated, the Debtors' Schedules and Statements reflect net book values where possible. **In certain instances, debtors' advisors were not provided with sufficient underlying details and schedules in order to properly assess book value.** Additionally, Market values may vary, in some instances, materially, from net book values presented as of September 30, 2019. The Debtors believe that it would be an inefficient use of estate assets for the Debtors to obtain the current market values of their property. Accordingly, the Debtors have indicated in the Schedules and Statements that the market values of certain assets and liabilities are undetermined. Also, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements, or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset.

- (f) **Undetermined Amounts.** The description of an amount as "unknown," is not intended to reflect upon the materiality of such amount.
- (g) **Unliquidated Amounts.** Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated." The description of an amount as "unknown," or "undetermined" is not intended to reflect upon the materiality of such amount. Any failure to designate a claim in the Schedules and Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim or amount is not "contingent," "unliquidated," or "disputed." The Debtors reserve all rights to dispute, or to assert offsets or defenses to, any claim reflected on the Schedules and Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed."
- (h) **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different from the listed total.
- (i) **Property and Equipment.** Unless otherwise indicated, owned property and equipment are valued at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. To the extent possible, any such leases are listed in the Schedules and Statements. Nothing in the Schedules and Statements is, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect thereto.
- (j) **Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may either (i) not reflect credits, allowances, or other adjustments due from such creditors to the Debtors or (ii) be net of accrued credits, allowances, or other adjustments that are actually owed by a creditor to the Debtors on a post-petition basis on account of such credits, allowances, or other adjustments earned from prepetition payments and critical vendor payments, if applicable. The Debtors reserve all of their rights with regard to such credits, allowances, or other adjustments, including, but not limited to, the right to modify the Schedules, assert claims objections and/or setoffs with respect to the same, or apply such allowances in the ordinary course of business on a post-petition basis.

Intercompany Claims. The Debtors maintain business relationships with each other, conducting transactions from time to time that result in intercompany receivables and payables and/or are on account of capital contributions, equity investments, or distributions on account of equity investments. Known and assumed prepetition receivables and payables among and between the Debtors are reported on Schedule A/B, and Schedule E/F, respectively, per the Debtors' books and records. The listing of any amounts with respect to such receivables and

payables is not, and should not be construed as, an admission of the characterization of such balances as debt, equity, or otherwise.

- (k) **Guarantees and Indemnification Claims.** The Debtors have exercised commercially reasonable efforts to locate and identify guarantees of their executory contracts, unexpired leases, secured financings, and other such agreements. Where guarantees or indemnification claims have been identified, they have been included in the relevant Schedules E/F, G and H for the affected Debtor. The Debtors may have inadvertently omitted guarantees or indemnifications embedded in their contractual agreements and may identify additional guarantees or indemnifications as they continue to review their books and records and contractual agreements. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements if additional guarantees are identified. In addition, the Debtors have entered into certain guarantees of debt and other obligations of other Debtors. The Debtors do not track these guarantees and thus have not listed them.
- (l) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

4. **Specific Schedules Disclosures.**

- (a) **Schedules Summary.** Except as otherwise noted, the asset and liability totals represent amounts through September 30, 2019. The Company closes its books quarterly. Based on the size of the Company, the scope of its operations and internal accounting resources, a monthly close is not performed.
- (b) **Schedule A/B – Parts 1&2 - Cash and Cash Equivalents; Deposits and Prepayments.** Details with respect to the Debtors' bank accounts are provided in the Debtors' Schedules.
- (c) **Schedule A/B, Part 3 – Accounts Receivable, Item 11.** The Debtors' reported accounts receivable through September 30, 2019. Also, accounts receivable includes amounts that may be uncollectible. The Debtors are unable to determine with certainty what amounts will actually be collected.
- (d) **Schedule A/B, Part 4 – Investments; Non-Publicly Traded Stock and Interests in Incorporated and Unincorporated Businesses, including any Interest in an LLC, Partnership, or Joint Venture.** Ownership interests in subsidiaries, partnerships, and joint ventures have been listed in Schedule A/B, Part 4, as unknown amounts on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value.
- (e) **Schedule A/B, Part 7 – Office Furniture, Fixtures, and Equipment; and Collectibles.** Debtors did not maintain an asset depreciation schedule.
- (f) **Schedule A/B, Part 8 – Machinery, equipment, & vehicles.** Debtors did not maintain an asset depreciation schedule.

- (g) **Schedule A/B, Part 9 – Real Property.** For those Debtors that own real property, such owned real estate is reported at book value, net of accumulated depreciation. The Debtors may have listed certain assets as real property when such assets are in fact personal property, or the Debtors may have listed certain assets as personal property when such assets are in fact real property. Any buildings and land improvements are listed on Schedule A/B, Part 9, independent of whether the real property to which the building or land improvement is connected is Debtor-owned property. The Debtors reserve all of their rights to re-categorize and/or re-characterize such asset holdings to the extent the Debtors determine that such holdings were improperly listed.

Certain of the instruments reflected on Schedule A/B 55 may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional lands, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule A/B. The Debtors hereby expressly reserve the right to assert that any instrument listed on Schedule A/B 55 is an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code. The Debtors reserve all of their rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B 55, including their right to dispute or challenge the characterization or the structure of any transaction, document, or instrument, including any intercompany agreement.

- (h) **Schedule A/B, Part 11 – All Other Assets.** Debtors did not maintain an asset depreciation schedule.
- (i) ***Other Contingent and Unliquidated Claims or Causes of Action of Every Nature, including Counterclaims of the Debtors and Rights to Setoff Claims.*** In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain rights to counterclaims, crossclaims, setoffs, credits, rebates, or refunds with their customers and suppliers, or potential warranty claims against their suppliers. Additionally, certain of the Debtors may be party to pending litigation in which such Debtor has asserted, or may assert, claims as a plaintiff or counterclaims and/or crossclaims as a defendant. Because such claims are unknown to the Debtors and not quantifiable as of the Petition Date, they are not listed on Schedule A/B, Part 11.
- (j) **Schedule D – Creditors Who Have Claims Secured by Property.** Except as otherwise agreed pursuant to a stipulation or order entered by the Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D and reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.

The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable agreements and other related relevant documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. In certain instances, some of the Debtors may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

Schedule E/F – Creditors Who Have Unsecured Claims.

Part 2 - Creditors with Nonpriority Unsecured Claims. The liabilities identified in Schedule E/F, Part 2, are derived from the Debtors' books and records. The Debtors made a commercially reasonable attempt to set forth their unsecured obligations, although the actual amount of claims against the Debtors may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities, which have been listed on a gross accounts' payable basis, may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims.

Schedule E/F, Part 2, contains information regarding certain compensation-related claims of insiders of the Debtors, with such claims being listed as "contingent," "unliquidated," and/or "disputed." In scheduling such claims, the Debtors make no representation or assertion as to the validity of such claims, and the Debtors reserve all rights, claims, and defenses in connection therewith.

Schedule E/F, Part 2, contains information regarding threatened or pending litigation involving the Debtors. The amounts for these potential claims are listed as "undetermined" and are marked as contingent, unliquidated, and disputed in the Schedules and Statements.

Schedule E/F, Part 2, does not include claims that may arise in connection with the rejection of any executory contracts and unexpired leases, if any, that may be or have been rejected.

In many cases, the claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtors or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtors' estates, the Debtors have not listed a specific date or dates for such claim.

As of the time of filing of the Schedules and Statements, the Debtors have not received all invoices for payables, expenses, and other liabilities that may have accrued prior to the Petition Date. Additionally, due to Opportune's denied access to records, Debtor is unable to provide confirmation of transaction activity past September 30, 2019. Accordingly, the information contained in Schedules D and

E/F may be incomplete. The Debtors reserve their rights, but undertake no obligations, to amend Schedules D and E/F if, or when, the Debtors receive such invoices.

- (k) **Schedule G – Executory Contracts and Unexpired Leases.** While commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Additionally, relationships between the Debtors and their vendors are often governed by a master services agreement, under which the Debtors also place work and purchase orders, which may be considered executory contracts. Disclosure of all of these purchase and work orders, however, is impracticable and unduly burdensome. Accordingly, to the extent the Debtors have determined to disclose non-confidential master services agreements in Schedule G, purchase and work orders placed thereunder may have been omitted.

In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, reflect distinct agreements between the applicable Debtor and such supplier or provider.

Although the Debtors have made diligent attempts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors' businesses. Accordingly, the Debtors reserve all of its rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Certain Debtors are guarantors and parties to guaranty agreements regarding the Debtors' prepetition credit facility. The guaranty obligations arising under these agreements are reflected on Schedules D and F only.

- (l) **Schedule H – Co-Debtors.** The Debtors **have** made reasonable efforts to locate and identify guaranties and other secondary liability claims (collectively, "**Guaranties**") in each of the executory contracts, unexpired leases, secured financings, debt instruments and other such agreements to which any Debtor is a party. Where Guaranties have been identified, they have been included in the relevant Schedule for the Debtor or Debtors providing such Guaranties. The Debtors have placed the Guaranties on Schedule H for both the primary obligor and the guarantor of the relevant obligation. Guaranties were additionally placed on Schedule D or E/F for each guarantor, except to the extent they are associated with obligations under an executory contract or unexpired lease identified on Schedule G. It is possible that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted.

5. Specific Statements Disclosures.

- (a) **Statements, Part 1, Question 1 – Income.** Due to the circumstances outlined previously, the Debtors cannot accurately estimate income for 2019 or year to date.
- (b) **Statements, Part 2, Question 3 – Payments and Transfers to Certain Creditors within 90 Days.** The dates set forth in the “Dates” column relate to one of the following: (i) the date of a wire transfer; (ii) the date of an “ACH” processing; or (iii) the check date. Prior to the Petition Date, the Debtors maintained a centralized cash management system through which certain Debtors made payments on behalf of certain Debtor affiliates and certain non-debtor affiliates. Consequently, for the purpose of this schedule, payments are recorded on the Debtor’s Statements, Part 2, Question 3, based on the Debtor’s bank account owned.

Payments to the Debtors’ bankruptcy professionals, insiders, intercompany transactions, wage garnishments and donations are not included in the payments to creditors. Payments to the aforementioned parties are included in the following locations within the Statements: bankruptcy professionals (Question 11), insider (Question 4), intercompany (Question 4).

- (c) **Statements, Part 2, Question 4 – Payments and Transfers to Insiders.** To the extent: (i) a person qualified as an “insider” in the year prior to the Petition Date, but later resigned their insider status or (ii) did not begin the year as an insider, but later became an insider, the Debtors have only listed those payments made while such person was defined as an insider in Statements, Part 2, Question 4. Business travel arrangements, including flights and hotels, for certain of the Debtors’ directors and officers have been paid for by the Debtors’ corporate credit card. Such payments are listed in the response to Question 4 on the Statements.
- (d) **Statements, Part 2, Question 6 – Setoffs.** The Debtors routinely incur setoffs and net payments and record offsets in the ordinary course of business. Such setoffs, nettings and offsets may occur due to a variety of transactions or disputes including, but not limited to, joint- interest billings, intercompany transactions, counterparty settlements, pricing discrepancies, warranties, refunds, negotiations, or disputes between the Debtors and their operating partners or suppliers. These ordinary course setoffs and nettings are common to the industry. Due to the voluminous nature of setoffs and nettings, it would be unduly burdensome and costly for the Debtors to list each such transaction. Therefore, ordinary course set-offs are excluded from the Debtors’ responses to Question 6 of the Statements
- (e) **Statements, Part 3, Question 7 – Legal Actions or Assignments.** The Debtors do not know of any workers’ compensation claims in response to this question. However, if any become known the Debtors maintain that disclosure would be in violation of certain laws including HIPAA (Health Insurance Portability and Accountability Act of 1996).

- (f) **Statements, Part 6, Question 11 – Payments Related to Bankruptcy.** The payments provided in Question 11 are reported for the joint representation of the Debtors. The Debtors believe that it would be an inefficient use of the assets of the estates to allocate these payments on a Debtor-by-Debtor basis.
- (g) **Statements, Part 13, Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders.** Distributions by the Debtors to their respective directors and officers are listed on the attachment to Question 4.

6. Predecessor Business Combinations

Certain transactions were consummated on February 8, 2018 that resulted in Alta Mesa's acquisition of interests in Alta Mesa Holdings, LP ("**AMH**"), Alta Mesa Holdings GP, LLC and Kingfisher Midstream, LLC. Prior to the closing of the transaction, AMH was controlled by Debtor entity High Mesa, Inc. ("**HMI**"). During the fourth quarter of 2017, AMH sold certain oil and gas assets and liabilities. Immediately prior to the closing of the transaction, AMH distributed oil and gas assets and liabilities to HMI.

Alta Mesa has alleged that High Mesa Services LLC ("HMS"), a subsidiary of HMI is the obligor under two promissory notes in the principal amount of \$1.5 million and \$8.5 million. Alta Mesa has claimed that as of December 31, 2018, approximately \$1.7 million and \$11.7 million, respectively, were outstanding under the promissory notes including the accumulated interest cost. When the \$1.5 million promissory note allegedly became due on February 28, 2019, HMS made no payment as HMI disputes that it has any obligation to pay the \$1.5 million promissory note and the \$8.5 million promissory note to Alta Mesa. Alta Mesa is pursuing remedies in connection with securing repayment of the past due promissory note by HMS and the \$8.5 million promissory note, which allegedly matured on December 31, 2019.

Alta Mesa distributed oil and gas assets to a subsidiary of HMI, and certain subsidiaries of HMI agreed to indemnify and hold Alta Mesa harmless from any liabilities associated with those oil and gas assets, regardless of when those liabilities arose. Alta Mesa also entered into a management services agreement (the "MSA") with HMI whereby Alta Mesa agreed to provide management services to HMI which included both operational and administrative functions. At December 31, 2018, Alta Mesa alleged that HMI owed approximately \$10.0 million, which Alta Mesa claimed included amounts owed (i) under the MSA, (ii) from a duplicate revenue payment made to HMI and (iii) pursuant to payables arising prior to the transaction. Subsequent to year-end, Alta Mesa billed HMI an additional \$0.9 million for incremental MSA costs incurred and received approximately \$1.0 million in payments toward all amounts outstanding. HMI has disputed certain of these amounts. Alta Mesa is pursuing remedies under applicable law in connection with repayment of this receivable.

Additionally, Alta Mesa is co-guarantor under certain surety bonds with HMI, including bonds that cover oil and gas assets owned by them. The surety has requested posting of collateral, which includes HMI surety bonds in an amount of approximately \$15 million.

These Global Notes are in addition to the specific notes set forth in the Schedules and Statements of the individual Debtor entities. The fact that the Debtors have prepared a Global Note with respect to a particular Schedule or Statement and not as to others does not reflect and should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any or all of the Debtors' remaining Schedules or Statements, as appropriate. Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.

SPECIFIC DISCLOSURES WITH RESPECT TO THE DEBTORS' SCHEDULES

Schedule A/B 47	Vehicles: Vehicles listed are reported to be titled to the Debtor. There are other vehicles that may be in control of a Debtor entity which were not properly transferred following the transaction. The Debtor reserves all rights regarding the vehicles that may be in Debtor's possession but not properly titled and transferred and may amend these schedules as appropriate.
